RE: Application for Construction Permit – Sanitary Sewer Extension
PL2021273 Lots 7A and 7B Streets of West Pryor – Sanitary Sewer Extension

To Whom It May Concern:

The City of Lee's Summit has received a development proposal dated Sep. 23, 2021 for the above-referenced project. This project requires the extension of public sanitary sewer mains. The enclosed Application for Construction Permit requests this extension.

The following information is provided in support of this application:

1. Justification: The extension is required to serve the proposed project. The site is within the Lee's Summit corporate boundaries and is, therefore, eligible for sanitary sewer service.
2. Certification of Compliance: The proposed system has been designed in accordance with the City of Lee's Summit's current design criteria. The design engineer and contractor will comply with all applicable laws, regulations, ordinances, and codes bearing on the sanitary sewer extension.
3. Continuing Authority: The City of Lee's Summit – Water Utilities Department shall serve as the continuing authority for the operation, maintenance, and modernization of the facility for which this application is made.

If you have any questions, please contact me at (816) 969-1800 or by email at david.lohe@cityofls.net. If you have technical questions relating to the engineering plans, please contact Mr. Samuel Malinowsky, P.E., of SM Engineering at (785) 341-9747. Thank you for your assistance in processing this application.

Sincerely,

David Lohe 9/28/21

David Lohe, P.E.
