ARTICLE IV

Imposition of Assessments and Liens Upon Property

4.01 Covenants for Assessments and Creation of Liens. The Developer and each Owner, jointly and severally, for himself, his heirs, distributees, legal representatives, successors and assigns, by acceptance of a Deed or other conveyance for any Lot which is Assessable Property, whether or not the covenants contained herein shall be expressed in any such Deed or other conveyance, hereby covenants and agrees that:

(a) he will pay to the Association all Assessments which may or shall be levied by the Association against Assessable Property owned by him in each year or any part thereof, and that he will pay to the Association the user fees and charges and all other duly authorized charges to be established as herein provided, if applicable, levied by the Association in each year and including Special Assessments levied pursuant hereto;

(b) he shall be personally liable for all such Assessments and user fees and charges which become due while he is the Owner of each Lot being assessed;

(c) all Assessments, together with the continuing obligation to pay each Assessment assessed in all future years, and all user fees and charges, together with all costs, expenses, interest and reasonable attorneys fees incurred in the collection of delinquencies, shall become, upon the filing of this Declaration, and thereafter remain a charge against and be secured by a continuing lien upon the Assessable Property of such Owner; and

(d) said charge and lien shall be superior to any and all other charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon the Assessable Property (or the Nonassessable Property to the extent that it may later become Assessable Property) whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage or other instruments, excepting only purchase money mortgages or deeds of trust given to finance the purchase of the Lot and liens for taxes or other public charges as are made superior by applicable law.

4.02 Uniform Rate of Assessment.

(a) For the purpose of providing funds for the uses specified herein, the Association Board shall assess against the Assessable Property in each year a charge (referred to herein as "Assessment" or "Annual Assessment"), which shall be uniform with respect to all Assessable Property within each classification of Assessable Property, as hereinafter provided, and shall be in such amounts as determined by the Association Board. The Association may divide all Assessable Property into classifications, which classifications shall be based upon the character of ownership, nature of use, i.e., residential or commercial, status of occupancy and such other criteria as the Association Board may deem pertinent. Lots owned by the Developer need not be assessed until such Lots are sold to a builder or Owner. Lots which are owned by a builder shall be assessed at a rate to be determined by the Association Board.

(b) Not later than ninety (90) days prior to the end of each fiscal year for the Association, the Association Board shall prepare an annual cash budget projecting anticipated revenues, cash receipts, cash expenditures, and net cash, surplus or deficit for the ensuing fiscal year (the "Association Budget"). The fiscal year for the Association shall be the calendar year. The proposed Association Budget will automatically be approved unless two-thirds (2/3) of the Members vote not to approve such Association Budget. Upon approval of the Association Budget, the Association Board will determine the manner in which Assessments are to be made; provided, however, that the Assessments will be made on a per Living Unit basis and not on market value or assessed value. The rate of Assessment for an individual Lot can change as the character of ownership, nature of use and the status of occupancy of said Lot changes, which therefore changes the classification of Assessable Property for such Lot. The applicable Assessment for such a Lot shall be prorated according to the rate required for each type of ownership.

4.03 Billing of Annual Assessments. At such time or times as the Association Board may determine, the Association shall levy the Annual Assessment. The Association shall send a written bill to each Owner stating the amount of the Annual Assessment imposed against each Lot which is Assessable Property owned by the Owner, the time period for the payment thereof, and the interest rate to be charged for late payments thereof. Each Annual Assessment shall be due and payable on a date established by the Association Board and shall become delinquent on a date established by the Association Board. The Association Board may establish payment procedures to allow payment of the Annual Assessment in increments during the year the Assessment is made, provided that this privilege is extended to all Owners on an equal basis, and provided that reasonable notice is given of each payment date, of the interest to be charged for late payments, of the liens established by this declaration, and of the suspension of membership rights as a consequence of the failure to pay.

4.04 Commencement of Assessments. The Assessable Property shall become subject to the Assessments set forth herein on the date designated by the Developer. Such Assessments shall be adjusted and prorated according to the number of quarters remaining in the fiscal year of the Association as such fiscal year is set forth in the Association By-Laws.

4.05 Late Payments.

(a) The Association Board may from time to time establish or change the rate of interest which shall be charged for the payment after the delinquency date of any portion of an Assessment, provided that such interest rate shall not exceed the maximum interest rate permitted under Missouri law and provided that reasonable notice of such charge is given to the Members.

(b) In the event of default in the payment of any one (1) or more installments of the Annual Assessment established hereunder, the Association may declare any remaining balance of said Annual Assessment at once due and payable.

(c) In the event that an Owner shall fail to fully pay the Assessment by the delinquency date thereof, such unpaid amount shall become a binding personal obligation of such Owner, and the Association shall have the right, pursuant to the provisions hereinafter provided to enforce the lien for Assessments. The Association shall have the right and duty to take all appropriate actions and steps to collect any such unpaid Assessments. Each delinquency shall constitute a separate basis for a demand or claim of lien or liens, but any number of defaults may be included within a single demand or claim of lien or liens on account of prior delinquencies and shall be deemed to include subsequent delinquencies and amounts due on account thereof. The Association may institute a suit to recover a money judgment for the same, together with interest thereon and reasonable expenses of collection, including attorney's fees, without foreclosing or waiving the lien hereinbefore provided.

4.06 Certificate of Payment. Upon written demand by an Owner, the Association shall

issue and furnish to such Owner, within a reasonable period of time, a written certificate stating that all Assessments, including interest and costs (if any), have been paid with respect to any specific Lot owned by said Owner as of the date of such certificate, or if all Assessments have not been paid, setting forth the amount then due and payable.

4.07 User Fees and Charges.

(a) In addition to the Annual Assessments, the Association Board may levy and collect charges and fees for the use of Common Property for the purpose of maintaining, refurbishing, replacing and repairing the Common Property and the Common Property Improvements, and operating services on Common Property.

(b) If any Owner or any other person obligated to pay shall fail to pay any user fee or charge when due and payable, the Association Board may immediately suspend such Owner's right of enjoyment of the Common Property or services thereon and may take whatever action it deems necessary to enforce such suspension.

4.08 Additional Procedures. The Association Board shall have the right to adopt procedures for the purpose of making the Assessments, user fees, and charges provided for herein and for the billing and collection of the same, provided that such procedures are not inconsistent with the provisions hereof.

4.09 Special Assessments.

(a) In addition to the Annual Assessments authorized herein, the Association may levy in any year a Special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair, or replacement of Common Property Improvements including any capital improvement upon the Common Property, or the cost of any utility deemed necessary by the Association Board to serve the Property including the necessary fixtures and personal property related thereto, or any unexpected cost or expense of the Association, as the Association Board may determine.

(b) A special Assessment shall become effective upon written notice by the Association Board. Billing of Special Assessments shall be handled according to the procedures set out herein.

(c) Following the Development Period, Special Assessments shall not be imposed by the Association until after the Association Board first presents any such proposed Special Assessment to the Members at a meeting to be called for that purpose pursuant to

Section 3.06 hereof. The Special Assessment shall be deemed to be approved by the Members unless two-thirds (2/3) of the Members vote not to approve such Special Assessment.

ARTICLE V

Use of Funds

5.01 Purposes for which Funds May Be Used. The Association shall apply all funds received by it pursuant to this Declaration and all other funds and property received by the Association including the accumulated funds referred to in Section 5.02, to the following:

(c) payment of all premiums and charges for all policies of insurance or surety bonds, as deemed by the Association Board to be necessary and appropriate.

5.02 Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of annual Assessments, or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessment in the succeeding year, but may carry forward from year to year such surplus as the Association Board may determine to be necessary or desirable for the greater financial security of the Association and the effectuation of its purposes, including accruing funds for the replacement of facilities.

5.03 Posting of Bond. The Association, acting through the Association Board, shall require that all persons or entities who handle the Association funds or monies, which funds and monies shall be deposited in federally insured banks or savings and loans, post bonds sufficient in amount to indemnify the Association from any loss.

5.04 Mortgaging of Common Property. Except as set forth in this Section, and subject to the approval of any holder of an existing lien on the Common Property (the "Development Loan Lien"), the Association may mortgage any Common Property to which it has clear title;

provided, however, that any such mortgage shall be subject to the approval of two-thirds (2/3) of the Members who are present in person or by proxy and voting in a duly constituted Association election or meeting. The Association shall not mortgage any Common Property to the Developer, or to any other entity or person to secure any conveyance, loan or advance made to the Association by the Developer. The Developer shall not take any action, the result of which may subject any Common Property to a judgement lien or otherwise jeopardize any Common Property, to satisfy a debt of the Developer.

ARTICLE VI

Common Property

6.01 Conveyance of Common Property.

(a) The Developer shall convey the Common Property to the Association and, from time to time, may convey to the Association such certain other property as the Developer may determine in accordance with the Development Plan for the common use and enjoyment of the Owners. The deed of conveyance may contain appropriate restrictions and assurances that such property shall be reserved for the common use and enjoyment of the Owners and prohibit the construction thereon of buildings for commercial, retail or Living Unit use.

(b) The Developer may convey an interest in fee simple in any improved land intended to be used as Common Property either by gift or for a consideration which equals the cost of the capital improvements on such property at the time of conveyance. For the purposes of this Section 6.01, "cost" shall mean the actual amounts expended to construct or complete the community facilities or improvements situated on Common Property (excluding the cost of the land devoted to such facilities or improvements), plus a reasonable charge for overhead. Such consideration may be in whatever form agreed to at the time of sale.

(c) Each conveyance of Common Property for consideration to the Association by the Developer shall be subject to the approval of a majority of the Association Board. The Association Board will review the financing proposal for such conveyance and will determine the extent to which Association Assessments and user fees and charges may be committed to finance the debt for such conveyance.

6.02 Use of Common Property.

(a) Every Owner, by reason of such ownership, shall have a right and easement of enjoyment in and to all Common Property, and such easement shall be appurtenant to and

shall pass with every Lot upon transfer. Any guest of a Member shall be entitled to a right or privilege of enjoyment of Common Property subject to such regulations as may be promulgated by the Association Board. Each such guest shall be accompanied by the Member sponsoring such guest at all times such guest is using the Common Property.

(b) All such rights, easements and privileges conferred under this Article shall, however, be subject to the right of the Association Board to:

(i) establish, adopt, promulgate, amend and rescind reasonable rules and regulations pertaining to the use, operation and maintenance of Common Property which shall enhance the preservation of such facilities, promote the safety and convenience of the users thereof, and which shall serve to promote the best interests of the Members and the Winterset Park community;

(ii) determine the use or uses to which Common Property may be put; provided, however, that any designation of use which is inconsistent with the use designated by the Developer upon conveyance, shall be subject to the provisions of this Declaration;

(iii) determine which, if any, Common Property may be used and enjoyed by, or conveyed or dedicated to the general public or a federal, state or local government body; provided, however, that Property shall not be conveyed to a public body unless, after the Development Period, the Association Board has obtained the prior approval of two-thirds (2/3) of the Members who are present in person or by proxy and voting at an Association meeting at which a quorum is present or voting in a referendum called for such purpose after proper notice is given;

(iv) levy user fees and charges and to charge reasonable admissions or other charges or fees for the use of any recreational facility;

(v) borrow money for the purpose of acquiring, mortgaging, developing or improving any Common Property including improvements thereon; provided, further, that any such mortgage shall be subject to the approval of two-thirds (2/3) of the Members who are present in person or by proxy and voting at an Association meeting at which a quorum is present or voting in a referendum called for such purpose after the proper notice is given; and

(vi) apply for, accept and expend loans or grants from federal, state or local governments and to comply with any conditions required by such governments in order to obtain such loans or grants including conditions relating to the use and enjoyment of Common Property by the general public.

6.03 Damage or Destruction of Common Property by Owner. In the event any

Common Property is damaged or destroyed by an Owner, or any of his or her guests, tenants, licensees, agents or members of their families, such Owner does hereby authorize the Association to repair such damaged areas. The amount expended for such repairs shall be a Special Assessment and lien upon the Lot of said Owner and shall be enforceable as other Assessments.

6.04 Suspension of Rights. The Association shall have the right to suspend the right or privilege under this Article of any Member for any period during which the Assessments or user fees and charges assessed under Article IV hereof remain delinquent, and may suspend said right or privilege in connection with the enforcement of any rules and regulations relating to Common Property in accordance with the provisions of this Article.

6.05 Joint Use Agreement.

(a) Each Neighboring Owner, and any member of such Neighboring Owner's household, including guests thereof as permitted by the Association, shall have the right and privilege to enjoy and use the Common Property subject to such rules and regulations as may be enacted by the Association Board.

(b) The rules and regulations which may be imposed or enacted by the Association Board in respect of the Neighboring Owners' use and enjoyment of the Common Property shall not substantially interfere with their right to use, or privilege of enjoyment herein granted, but shall be enacted by the Association Board for the purpose of causing the Neighboring Owners to be governed by the same rules and regulations applicable to the Owners and for the purpose of protecting and preserving the Common Property in accordance with the intent of this Declaration. Accordingly, all rights and privileges conferred hereunder are subject to the rights of the Association otherwise provided for in this Article.

(c) Notwithstanding the fact that the Neighboring Owners have the right to use and enjoy the Common Property, in order to protect against those situations in which a Neighboring Owner violates the rules and regulations of the Association or of this Declaration, the Association shall be vested with and have the right to impose such restrictions on the use of the Common Property as the Association may deem reasonably necessary in order to give effect to its rights granted hereunder.

(d) The Association may charge a user's fee for the use of any improvements on any of the Common Property but no such fee shall be imposed as a penalty but shall reflect the reasonable costs and expenses, on a proportionate basis, which may be incurred by the Association in owning and operating the Common Property and the improvements thereon. In no event shall any fees charged to the Neighboring Owners be greater than the fees charged and paid by the Owners for the same services or facilities.

(e) Upon the failure of a Neighboring Owner to pay the appropriate fees imposed

by the Association or in the event of any violation of the rules and regulations of the Association or if any such Neighboring Owner causes any damage to any of the Common Property then the Association, in addition to the specific remedies herein provided, may pursue such remedies at law or in equity against such Neighboring Owner as the Association may pursue under Missouri law.

ARTICLE VII

Architectural Review Committee

7.01 Purpose, Powers and Duties of the ARC. The purpose of the ARC is to assure that all proposed uses and any construction or alteration of any Structure which takes place on any Lot or any other Property shall be performed in conformity with the objective of high quality environmental design and development as set forth in the Development Plan. To carry out that purpose, the ARC shall have all of the rights, powers and duties conferred upon it pursuant to the provisions of this Article, including the right to approve any and all proposed uses, site plans and Structures to be constructed on the Property, including the Common Property Improvements. The ARC shall also have the right to approve or disapprove any and all proposed external alterations or use changes for Lots or Common Property. The ARC will not do anything, however, which would prevent the Developer from fulfilling its obligations under the Development Plan.

7.02 Composition and Appointment. The ARC shall be comprised of three (3) members, each serving one (1) year terms. The members shall be appointed by the Developer during the Development Period and may be employees or agents of the Developer; thereafter the members shall be appointed by a majority vote of the Association Board.

7.03 Operations of the ARC.

- (a) Meetings.** Except as otherwise provided herein, the act of such majority of members of the ARC present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the ARC.
- (b) Activities.** The ARC shall adopt and promulgate and, as it deems appropriate, amend the Development Guidelines and will, as required, make findings, determinations, rulings and orders with respect to the conformity with said Development Guidelines of plans and specifications to be submitted for approval to the ARC.

7.04 Development Guidelines.

(a) As contemplated by and pursuant to the provisions of this Article, the ARC may adopt, promulgate, amend, revoke and enforce design and development guidelines, hereafter referred to as the Development Guidelines, for the purposes of establishing policies, requirements, standards, restrictions and specifications with respect to the approval and disapproval of all proposed uses and with respect to all construction or alteration of any Structure on any Lot, Easement Area or Common Property.

(b) The ARC shall make a published copy of its current Development Guidelines, readily available to Members and prospective Members of the Association and builders.

7.05 Submission of Plans and Specifications. No structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance thereof, nor shall any new use be commenced, unless plans and specifications (including a description of any proposed new use) therefor shall have been submitted to and approved in writing by the ARC. Such plans and specifications submitted to the ARC shall be in such form and shall contain such information as may be required by the ARC in the Development Guidelines.

7.06 Approval of Plans and Specifications. The ARC, in its discretion, is permitted to approve deviations from the Development Guidelines and from this Declaration when, in its judgment, such deviations will result in a more commonly beneficial use. Such approval must be granted in writing and when the ARC approves and grants a deviation from this Declaration, such approved deviation shall for all purposes amend this Declaration but only to the limited extent of such specifically approved deviation. No approved deviation shall be deemed to act as a precedent in respect of any other requests for approvals of deviations.

7.07 Disapproval of Plans and Specifications.

(a) The ARC shall have the right to disapprove any plans and specifications submitted hereunder as determined by the ARC in its sole judgement and discretion for any reason including, among others, failure of such plans or specifications to comply with this Declaration or the Development Guidelines.

(b) In any case in which the ARC shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the ARC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval.

7.08 Inspection Rights. After reasonable notice and at any reasonable time or times, any agent of the Association or the ARC may enter upon any Lot for the purpose of ascertaining whether the use or maintenance of such Lot or the construction of any Structure thereon is in compliance with the provisions hereof. Neither the Association, nor the ARC, nor any agent thereof shall be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection, provided such inspection is carried out in accordance with the terms of this Section.

7.09 Violations. If any Structure shall be erected, placed, maintained or altered upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with the plans and specifications approved by the ARC pursuant to this Declaration, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. Upon written notice of the violation to the Owner from the Association Board (which shall be deemed to have been delivered if sent by certified or registered mail, return receipt requested, postage paid), any such Structure so erected, placed, maintained or altered upon any Lot in violation hereof shall be removed or altered, and any such use shall be terminated, so as to extinguish such violation. If the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same within the time specified in such notice, the Association shall have the right to pursue its Right of Action as provided herein, together with all remedies whether at law or in equity and whether specified herein, and including but not limited to the remedy of injunctive relief and obtaining a monetary judgment for all costs, expenses, including reasonable attorneys fees, and damages.

ARTICLE VIII

General Restrictions

8.01 Maintenance Required by Owner.

(a) Each owner shall keep all of his Lots and all improvements thereon, in good order and repair, including, but not by way of limitation, the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all improvements, all in a manner and with such frequency as is consistent with safety and good property management. The Association shall have the right, after written notice to the Owner of the affected Lot as hereinafter provided, to remove trash or rubbish and to cut grass, weeds, and vegetation and to trim or prune any hedge or other planting that, in the opinion of the ARC, by reason of its location or height or the manner in which it is permitted to grow, is detrimental to adjoining Lots or is unattractive in appearance. The Association shall, further, have the right to care for vacant and unimproved Property, all at the cost and expense of the Owner thereof. Such cost and expense incurred by the Association shall be paid to the

Association upon demand and, if not paid within ten (10) days thereof, shall become a lien upon the Lot affected, equal in priority to the liens provided for herein.

(b) The ARC shall give fifteen (15) days' written notice to the Owner in violation of this Restriction, setting forth the specific violation or breach of this Restriction and the action required to be taken by the Owner to remedy such violation or breach; if, at the end of such time, reasonable steps to accomplish such action have not been taken by the Owner, the ARC may pursue its Right of Action and shall have such other remedies at law or in equity as may then exist or as provided herein.

8.02 Land Use and Building Type. No building shall be erected, altered, placed or permitted to remain on any Lot unless it is an approved Structure and no previously approved Structure shall be used for any purpose other than that for which it was originally approved. The Developer hereby reserves the exclusive right to use any of the Property for temporary use as an office or for model home purposes during the Development Period.

8.03 Landscape Restrictions. No tree or shrubbery shall be maintained in such a manner as to obstruct the view of vehicular traffic. In addition to the restrictions provided for in Section 9.01, no tree having a diameter of four (4) inches or more (measured from a point two (2) feet above ground level) shall be removed from any Lot without the express written authorization of the ARC. The ARC may adopt and promulgate rules and regulations regarding the requirement of planting trees, preservation of trees and other natural resources and wildlife to protect and encourage the preservation of the ecological balance of the Property. The ARC may mark certain trees, regardless of size, as not removable without written authorization. Landscaping must conform to the area in the opinion of the ARC. Each Lot must be sodded with fine leaved turf-type tall fescues, ryes, blue grasses, except in areas to be left in a natural state upon approval of the ARC. The ARC, the Association and its agents or designees may come upon any Lot (following reasonable notice) during reasonable hours for the purpose of inspecting and marking trees. Notwithstanding the foregoing, the ARC, in its sole discretion may grant written permission to an Owner to partially or completely grass seed a Lot in Lieu of sodding. The grass seed and seeding procedure shall be approved by the ARC prior to commencement of any seeding activities and such seeding shall be performed in strict compliance with seeding procedure as specified by the ARC.

8.04 New Construction. All Living Units and other Structures permitted hereby shall be new construction and no buildings shall be moved onto any Lot.

8.05 Uncompleted Structures. Construction of a Living Unit or any other Structure shall not commence until the ARC has approved the final plans and specification for such Living Unit or any other Structure. No Living Unit or other Structure shall be permitted to

stand with its exterior in an unfinished condition for a period longer than six (6) months after commencement of construction. Extensions for periods beyond six (6) months may be granted by the ARC in its sole discretion. In the event of fire, windstorm or other damage, no Living Unit or other Structure shall be permitted to remain in a damaged condition for more than three (3) months. No Living Unit or other Structure shall be occupied until completed according to the plans and specifications approved by the ARC.

8.06 Structures. No temporary building, trailer, tent, garage, barn or other building, whether in the course of construction or otherwise, shall be placed upon any Lot. No detached Structure for purely ornamental purposes nor above ground swimming pools nor any permanently constructed stoves, grills or ovens may be erected on any part of any Lot without the consent of the ARC

8.07 Fences. No fences or walls shall be placed on any Lot without permission of the ARC. No chain link fence shall be erect on any Lot.

8.08 Placement of Signs or Property. No sign billboard or other advertising device of any nature shall be placed upon any Lot, including property identification signs, except by the Developer and except as provided herein and as are approved by the ARC. The ARC may adopt and promulgate rules and regulations relating to signs which may be used within the Property.

8.09 Keeping of Animals on Lots. No animals or birds, other than customary household pets shall be kept or maintained on any Lot except as specifically authorized by the ARC. In no event shall any such pets be kept, bred or maintained for any commercial purpose or in such a manner as to constitute a nuisance or cause unsanitary conditions. The ARC shall require that dogs shall not be permitted outside of any Lot except on a leash and accompanied by a responsible person. No dog run shall be permitted on any Lot. The ARC may from time to time publish and impose other regulations setting forth the type and number of animals that may be kept on any Lot. Outside animal shelters of any type whatsoever shall be located within the back yard of any Lot within two feet of the Structure thereon and, in the opinion of the ARC, shall be compatible in all respects with such structure.

8.10 Disposition of Trash and other Debris. No lumber, metals, bulk materials, refuse or trash shall be kept, stored or allowed to accumulate on any Lot, except building materials during the course of construction for a period not to exceed one hundred eighty (180) days (commencing from day one of the first delivery of any of such materials) unless extended by the ARC in its sole discretion, for any approved Structure, unless such materials are screened from view in a manner approved by the ARC. During the course of construction, it shall be the responsibility of each Owner to insure that construction sites are kept free of unsightly accumulations of rubbish and scrap materials, and that construction materials, trailers, shacks, and the like are kept in a neat and orderly manner. No burning of any trash, leaves, grass or weeds, and no accumulation or storage of litter of any kind shall be permitted on any Lot. If

trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open, on any day that a pickup is to be made, at such place on the Lot so as to provide access to persons making such pickup. At all other times such containers shall be stored in such a manner that they cannot be seen from adjacent and surrounding property. All such containers shall be kept in a clean and sanitary condition. The ARC may adopt and promulgate reasonable rules and regulations relating to the size, shape, color and type of containers permitted and the manner of storage of the same on the Property.

8.11 Parking of Motor Vehicles, Boats and Trailers. No truck, commercial vehicle, trailer, commercial trailer house, recreational vehicle, all terrain vehicle, camper, motorcycle, automobile, mobile home, boat or boat trailer shall be brought upon, stored or habitually parked on any Lot in front of any Living Unit or garage, or between any residence or garage and abutting side street, or upon any street abutting any Lot. This shall not be construed to prohibit the mere temporary (a maximum of twenty-four (24) hours): (a) standing or parking of a trailer, boat, trailer house, recreation vehicle, or mobile home for short periods preparatory to take same to some other location for use; or (b) the temporary standing or parking of a truck or commercial vehicle for loading, or unloading; or (c) the parking of any operational automobile on any driveway on any Lot. The Association, with the written approval of the ARC, may permit such parking for longer than twenty-four (24) hours. No such vehicle shall be openly stored in any area other than as may be designated by the ARC. However, no mechanical maintenance on any vehicle shall be permitted in front of any Living Unit or garage, or between any Living Unit or garage and an abutting side street, or upon any street abutting any Lot. While nothing contained herein shall be considered to prohibit the use of portable or temporary buildings or trailers as field offices by contractors during actual construction, the use and appearance of such a building or trailer must be specifically approved by the ARC prior to it's being moved on site.

8.12 Nuisances. No noxious or offensive activity shall be carried on upon any portion of the Lots or Living Units, nor shall anything be done thereon that may be or become a nuisance or annoyance to any other Owners. No exterior lighting shall be directed outside the boundaries of any Lot but shall be directed so as to avoid glare and excessive light spillage onto abutting or adjacent Lots.

8.13 Antennas, Poles and Projections. No facilities, including poles and wires for the transmission of electricity, television messages, CATV signals and the like shall be placed or maintained above the surface of the ground on any Lot and no external or outside antennas or satellite dishes shall be permitted on any Lot or Living Unit.

No external or outside radio or television antennas or satellite dishes shall be permitted on any lot or living unit. No antenna or satellite dish may be erected, used or maintained outdoors and above the surface of the ground, or attached to a building or otherwise without the written approval of the Architectural Review Committee. However, one satellite dish, 18 1/2 inches in diameter or smaller may be installed and maintained on any residential lot so long as the

location and manner of mounting is disguised to resemble the surroundings or, is, in fact, visually indistinguishable from the structures, devices or improvements otherwise allowed in the community by these Covenants as to so blend into the background of the surroundings as to cause as little attention as possible. If approved, the type of antenna and exact location on the lot or residence shall be determined by the Architectural Review Committee. In approving such applications, the Architectural Review Committee may require specific forms of screening as it deems appropriate in order to effectuate the intent of this section in order to render the installation as inoffensive as possible to other owners and residents.

No solar collector of any kind or type shall be maintained, except with the permission of the Architectural Review Committee. No flag poles, poles nor standard, shall be erected or maintained, except with the prior written permission of the Architectural Review Committee.

All basketball goals, including type, color and location, must be approved prior to installation by the Architectural Review Committee. Free standing basketball goals are permitted to be placed in front of a residence, but cannot be placed closer to the curb line than 1/2 of the distance from the residence to the curb line. Basketball goals cannot be attached to the front of the residences. All poles shall be black and all backboards are to be clear plexiglass. Basketball goals shall be limited to one free standing basketball goal per residence. Portable basketball goals do not require approval by the Architectural Review Committee but will not be permitted to be left out overnight.

8.14 Penalties for Violation. If the ARC determines that provisions of this Article have been violated, the ARC may in its discretion seek appropriate relief at law or in equity to assure that the purposes of this Article and this Declaration are fulfilled.

8.15 Restrictions for Residential Lots. No profession or home industry shall be conducted in or on any part of a Lot or in any improvement thereon in the Residential Areas without the specific written approval of the ARC. The ARC, in its discretion upon consideration of the circumstances in each case, and particularly in consideration of the effect on surrounding Property, may permit a Lot or any improvement thereon to be used in whole or in part for the conduct of a profession or home industry. No profession or home industry shall be permitted, however, unless it is considered by the ARC to be compatible with the neighborhood. Except as provided herein, any Living Unit located on a Lot designated for residential use within the Property shall be occupied by the Owner of the Living Unit. Notwithstanding the above, however, leasing of single family or condominium units will be allowed provided that the Owner first register the lessee with the Association, providing such information as the Association may require, and file with the Association a complete copy of the executed lease agreement.

8.16 Lot Use for Model Home or Real Estate Office. All else herein to the contrary notwithstanding and as expressly limited herein, any residential Lot may be used for a model home or for a real estate office by the Developer during the Development Period. Such right

shall be limited to the Developer and shall extend to no other person, builder, Owner or other developer except as may be permitted by a majority vote of the Association Board.

8.17 Use of Clothes Hanging Devices and Machinery. No clothing or any household fabrics shall be hung in the open on any Lot. No machinery shall be operated upon any Lot (except such machinery used in the maintenance of a private residence) except with the written approval of the ARC. No machinery shall be placed, parked or stored upon any Lot unless such machinery is placed, parked or stored within an approved Structure. No hoisting devices shall be permitted upon any Lot; except, however, with the prior written approval of the Association, subject to review and written approval of the ARC.

8.18 Provisions Applicable to Lots Designated for Single-Family Residences. Lots in the Property shall be subject, in addition to the general provisions set forth herein, to the following use restrictions:

(a) **Land Use.** None of said Lots may be improved, used or occupied for other than residential purposes (except for model homes used by the Developer) and no flat or apartment house, although intended for residential purposes, may be erected or operated thereon.

(b) **Requirements.** (i) subject to the imposition of alternate square footage requirements as may be established on selected Lots due to location and orientation the minimum square footage enclosed floor areas and other requests shall be as follows:

**The Ridge at Winterset Summit
Plat of the Property**

**Minimum Square Footage
(Enclosed Floor Area)**

--Minimum Square Footage Requirements

--single level above ground
--one and one half story
--two story

All Lots
1,600 sq. ft.
2,150 sq. ft.
2,000 sq. ft.

All such residences shall have such foundation plantings as may be determined by the ARC and exterior fireplace chimneys must be masonry or wood. All exterior wood chases must have a poured concrete foundation or footing. Exterior fireplace chimneys must be masonry, brick, stone or stucco if on the front elevation.

(ii) "Enclosed floor area" as used herein shall mean and include areas of the residence enclosed and finished for all-year occupancy, computed on outside measurements of the residence, plus any living areas of basements, garages, porches or attics. (iii) When lesser square footage requirements are permitted by the ARC, the ARC will permit such

variance from the requirements herein in a consistent manner, and not on a spot basis, taking into consideration the use of adjoining Lots.

(c) Building Materials. All building materials shall be in compliance with the requirements of the Development Guidelines.

ARTICLE IX

Construction on Lots

9.01 Construction Standards.

(a) Commencement of construction on a Lot shall start within sixty (60) days following the recording of the deed from the Developer to the purchaser. Construction shall proceed in a timely and orderly manner to a prompt completion.

(b) No Lot is to be cleared nor shall construction commence on any Lot until a building permit therefor is granted, the Lot closing has taken place and the ARC has approved the plans and specifications for such construction.

(c) No dumping or open burning of construction materials, waste or trash shall occur on any building Lot.

(d) Loud music will not be permitted on any construction site.

(e) No construction signs are permitted identifying the home builder, subcontractors or suppliers, unless provided for by the Developer.

(f) Certain tree protection procedures have been formulated for Winterset Valley. It should be understood that compacting the soil, trenching and grade changes involving cutting or filling often causes death to a healthy tree within three to four years. The following procedures are, therefore, recommended:

(i) Tree clearing of building sites should be done by hand or small machinery to minimize disturbance of remaining trees, particularly outside the footprint of the Living Unit.

(ii) Grading or trenching within the dripline of trees should be minimized and preferably limited to areas away from the center of the tree crown. A qualified arborist or landscape architect should be consulted when working within the dripline of major (as determined by the ARC) trees.

(iii) A qualified arborist should also be consulted if overhead branches of major

trees interfere with the construction of the dwelling.

(iv) ARC may require that a four foot construction fence be erected at the dripline of major trees and tree groupings. No construction activities including storage of materials or parking of vehicles or equipment should be allowed within the dripline of trees. Signs, bracing, and temporary wiring should not be nailed to any tree.

(g) The Developer has designated certain trees on the Property as "signature" trees which shall not be damaged or removed without the express written permission of the Developer or, after the Development Period, the Association. In the event that any such signature trees are damaged or removed without such permission, then the Developer or, after the Development Period, the Association may impose a Special Assessment against the Lot on which such signature tree is or was located. Such Special Assessment shall be in an amount calculated at not less than One Hundred Dollars (\$100.00) for each inch of such tree's diameter. Such Special Assessments shall be due and payable upon demand and may be enforced in accordance with the terms and conditions hereof pertaining to the enforcement and collection of Special Assessments. All such funds collected from such Special Assessments shall be used in the Developer's or Association's discretion in the replacement of damaged or removed trees.

(h) Erosion control shall be provided on Lots with steep grades. The ARC may, at its sole discretion, require the builder to place erosion control materials such as straw bales or fencing on any portion of a Lot that appears to be in an erodible condition due to construction activities.

(i) Builders and contractors are responsible, and will be held accountable, for the actions of their workers as well as those of their subcontractors.

(j) No changes in plans during the construction period will be permitted without prior written approval of the ARC.

(k) Once residences are occupied within the Ridge at Winterset Summit Community, no exterior construction work shall begin before 7:00 a.m. or continue after 7:00 p.m.

(l) Excess excavation materials must be hauled away from the Lot and from the Property.

(m) Concrete suppliers and contractors shall clean their equipment only at locations designated by the Developer for that purpose.

(n) Builders shall clean up all trash and debris on the construction site at the end

of each day. Trash and debris shall be removed from each construction site at least once a week to a dumping site located off the Property. Builders and their subcontractors will be responsible for removing all construction debris and keeping the construction sites in a well-maintained appearance at all times.

ARTICLE X

Duration And Amendment

10.01 Duration. This Declaration and the Restrictions contained herein shall run with, burden and bind the Property, shall inure to the benefit of and shall be enforceable by the Developer (during the Development Period), the Association and any Owner, their respective legal representatives, heirs, successors and assigns, and by any Resident until November 27, 2027; after which time the Declaration shall be automatically renewed for successive periods of ten (10) years unless, prior to the commencement of any such renewal period, an instrument terminating this Declaration and the Restrictions contained herein shall be executed by the proper Association officers and recorded in the appropriate Office of the Recorder of Deeds or in such other place of recording as may be appropriate at the time of the execution of such instrument, pursuant to a resolution to such effect approved in writing by not less than two-thirds (2/3) of the total number of Members, which resolution shall have been approved within six (6) months prior to November 27, 2027 or the end of any such ten (10) year extension period.

10.02 Amendment.

(a) Except as hereinafter specifically provided, this Declaration may not be amended, terminated or modified in any respect except by recording an instrument executed by the proper Association officers and authorized by the Members, subject of course to the rights, if any, of any lienholders of liens on the Property to consent to or approve of such amendment, termination or modification, pursuant to a resolution to such effect approved in writing by not less than two-thirds (2/3) of the total number of Member.

(b) Notwithstanding the foregoing, during the Development Period this Declaration can be abolished, amended, modified or changed in whole or in part by the Developer in order to, among other things, correct deficiencies of this Declaration as determined to exist by the Developer; to annex property as provided for herein or to deannex Property without Association membership approval but with the written consent of Owners located within the boundaries of the Property to be deannexed (who together with Developer

shall execute a release document for recording with the appropriate office of the Recorder of Deeds); and, to give effect to all of the rights, obligations and duties created or contemplated herein.

ARTICLE XI

Enforcement

11.01 Right of Action.

(a) In the event of a violation or breach of any Restriction contained in this Declaration, the Association shall give written notice to the Owner setting forth in reasonable detail the nature of such violation or breach and the specific action or actions which shall be taken by the Owner to remedy such violation or breach. If the Owner shall fail to take reasonable steps to remedy such violation or breach within the time limit specified in the written notice, then the Association may pursue its Right of Action. The term "Right of Action" as used herein, shall mean the right of the Association, through its agents and employees, to enter at all reasonable times upon any Lot as to which a violation, breach or other condition to be remedied exists, and take the actions specified in the notice to the Owner to abate, extinguish, remove or repair such violation, breach or other condition which may exist thereon contrary to the provisions hereof. Such entry or action, or both, shall not be deemed to be a trespass or wrongful act solely by reason of such entry and such actions, provided such entry and such actions are carried out in accordance with the provisions of this Section. All costs and expenses including reasonable attorneys' fees incurred by the Association or on its behalf in enforcing such Right of Action, shall be a binding personal obligation of such Owner enforceable at law, as well as a lien on such Owner's Lot enforceable in accordance herewith. The lien provided under this Section shall not be valid against a bona fide purchaser (or bona fide lienholder) of the Lot in question unless a notice of such lien shall have been filed in the appropriate office of the Recorder of Deeds prior to the recordation of the Deed in the said office (or lien instrument) conveying the Lot in question to such purchaser (or subjecting the same to such lien). "Right of Action" shall also mean and encompass the right to pursue all remedies herein specified, together with all remedies at law or in equity.

(b) During the Development Period, the Developer may pursue its Right of Action in such cases where in the judgement of the Developer the Association has abused its discretion in electing not to exercise its Right of Action to enforce the provisions of the Declaration and has thereby jeopardized the performance of the obligations of the Developer pursuant to the Development Plan. The Developer's Right of Action shall be subject to the following limitations:

- (i) the Developer shall give written notice to the Association identifying the violation which Developer seeks to correct and

the steps Developer will take to remedy the condition; and

- (ii) the Developer may not commence to exercise its Right of Action less than thirty (30) days nor more than sixty (60) days after giving written notice to the Association.

11.02 Specific Performance. Nothing contained herein shall be deemed to affect or limit the rights of the Developer (so long as it is an Owner), the Association, the Members or the Owners, or any one of them, to enforce any of the terms, covenants or conditions of this Declaration by appropriate judicial proceedings. However, the Developer hereby declares that it is impossible to measure in money the damages which will accrue to a beneficiary hereof, its transferees, successors or assigns, by reason of a violation of, or failure to perform any of the obligations provided by this Declaration. Therefore, any beneficiary hereof shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity, to enforce the provisions hereof. In any and all such actions, whether at law or in equity, any such beneficiary hereof who is entitled to relief shall also be entitled to recover all costs and expenses, including reasonable attorneys fees, incurred in enforcing such rights.

11.03 Enforcement of Liens.

(a) The Association shall have a lien for Assessments, user fees and charges (herein collectively, "Assessment" or "Assessments") and shall have a lien for the cost of exercising the Right of Action. The amount which may be recovered by the Association shall include the Assessment or costs, together with the cost of such enforcement proceedings, including reasonable attorney's fees and interest. Suits to recover a money judgment for unpaid Assessments shall be maintainable without foreclosing or waiving the lien provided for in Section 4.01 hereof.

(b) If any demand for payment or claim of lien or liens is not paid when due, the Association Board or its duly authorized representative may thereafter elect to file and record a claim of lien on behalf of the Association against the Lot of the defaulting Owner in the appropriate Office of the Recorder of Deeds. Such claim of lien shall be executed and acknowledged by any officer of the Association and shall contain substantially the following information:

- (i) the name of the delinquent Owner;
- (ii) the legal description and street address of the Lot against which the claim of lien is made;
- (iii) the total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs and reasonable attorney's fees (with any proper offset allowed);

- (iv) that the claim of lien is made by the Association pursuant to this Declaration; and
- (v) that a lien is claimed against said Lot in an amount equal to the amount stated; together with all other amounts becoming due from time to time in accordance with this Declaration.

(c) Upon such recordation of the duly executed original or copy of such a claim of lien, the lien claimed therein shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such Assessment or cost was levied. Such a lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien thereof, except for tax liens or real property taxes and assessments on any Lot in favor of any municipal or other governmental unit and except as provided in Section 4.01 hereof.

(d) Any such lien may be foreclosed by appropriate action at law or in the manner provided by law for foreclosure of mortgages or sale by a judgment creditor or in any other manner permitted by the laws of Missouri. The Association Board is hereby authorized to appoint any attorney or any officer or director of the Association for the purpose of conducting such proceedings.

(e) The lien provided for herein shall be in favor of the Association and shall be for the benefit of all other Owners and shall secure payment of all sums set forth in the claim of lien, together with all sums becoming due and payable in accordance with this Declaration after the date of recordation of said claim of lien.

(f) Upon the timely curing of any default for which a notice of claim of lien was filed by the Association Board and the payment of all sums secured by the lien created by the recordation of such claim of lien, the Association Board shall (upon payment by such Owner of reasonable costs by the Owner of the Lot subject to the lien) cause an officer of the Association to file and record an appropriate release of such claim of lien in the appropriate Office of the Recorder of Deeds.

(g) No Owner may waive or otherwise escape liability for the Assessments provided for in this Declaration by nonuse of the Common Area, or any part thereof, or any part of the Property, or abandonment of his Lot. Notwithstanding anything contained in this Declaration to the contrary, no action may be brought to foreclose or otherwise realize on the lien created by recordation of the claim of lien, until the expiration of thirty (30) days after a copy of said claim of lien, showing the date of recordation thereof, has been mailed to the Owner of the Lot which is described in such claim of lien.

(h) Each Owner does hereby waive to the extent legally possible, all defenses to any liens created pursuant to this Declaration, whether such liens are now in existence or

are created at any time in the future, and the benefit of any exemption laws of the State of Missouri now in effect, or in effect from time to time hereafter.

11.04 No Waiver. The failure of the Developer, the Association, any Owner, his or its respective legal representatives, heirs, successors and assigns, or any Resident, to enforce this Declaration shall in no event be considered a waiver of the right to do so thereafter as to a similar violation or breach occurring prior or subsequent thereto.

11.05 Additional Rules. The Association Board, and the ARC, each by a majority vote, to the extent specifically provided herein, may adopt, amend, modify, promulgate and rescind or revoke reasonable rules, regulations and procedures regarding the administration, interpretation and enforcement of the provisions of this Declaration; for the ARC in particular, this includes the right of modification, amendment, revocation or rescission of the Development Guidelines. In so adopting, amending, modifying, promulgating, rescinding, or revoking such rules, regulations and procedures, or in making any finding, determination, ruling or order or in carrying out any directive contained herein relating to the issuance of permits, authorizations, approvals, rules or regulations, the Association and the ARC shall take into consideration the best interests of the Owners of the Property to the end that the Property shall be preserved and maintained as a community of high quality, and shall seek to achieve the development of the Property in accordance with the standards and objectives set forth in the Development Plan.

11.06 Successor Developer. Anything herein mentioned to the contrary notwithstanding, should the Developer lose or divest itself of a substantial legal or equitable interest in the remaining unsold Property:

(a) All of the Developer's rights, powers, duties and obligations under this Declaration (except as to those possessed by each Owner, so long as the Developer remains as Owner) shall pass with such interest in the real property to a new Owner of part or all of such interest in the Property ("New Developer").

(b) Neither the New Developer, the Association, the Members nor the Owners shall assume any liability arising from the Developer's exercise of its rights and powers under this Declaration or its performance of, or failure to perform, its duties and obligations hereunder before the loss or divestiture of the Developer's rights, powers, duties and obligations hereunder. The foregoing sentence shall not be construed so as to relieve a New Developer, wholly or partially, of the obligation to make advances to the Association pursuant to this Declaration on grounds that any cash deficit of the Association is attributed to the previous action or inaction of the Developer.

ARTICLE XII

Miscellaneous

12.01 No Reverter. No Restriction herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

12.02 Invalidity. The determination by a court that any provision hereof is invalid for any reason shall not affect the validity of any other provision hereof, and to the extent that any term, covenant or condition contained in this Declaration is in conflict with any applicable laws, this Declaration shall be deemed to be amended so as to comply with applicable laws.

12.03 Violation and Nuisance. Any act or omission whereby any provision of this Declaration is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action, by the Developer, the Association or any Owner of a Lot.

12.04 Violation of Law. Any violation of any federal, state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any of the Property is hereby declared to be a violation of the Declaration and subject to any and all of the enforcement procedures set forth herein.

12.05 Remedies Cumulative. Each remedy set forth in this Declaration shall be in addition to all remedies whether available at law or in equity and all such remedies whether or not set forth in this Declaration, shall be cumulative and not exclusive.

12.06 Limitations. During the Development Period, the Association may not use its resources nor take a public position in opposition to the general Development Plan or to changes thereto proposed by the Developer. Nothing in this Section shall be construed to limit the rights of Members acting as individuals or in an affiliation with other members of groups.

12.07 No Personal Liability. No member of the Association Board, officer of the Association, member of the ARC, member of any committee of the Association, whether such committee is specifically described in this Declaration or hereafter created by the Association, or Manager, if any, or the Developer shall be personally liable to any Owner, member or to any other party for any damage, loss or prejudice suffered or claimed on account of any act, (including any oral representation regarding any aspect of a Lot whatsoever), omission, error, failure to act, or negligence of any such Association Board Member, officer or committee member of the Association, Manager, if any, the Developer, or any Member of the ARC or any realtor representing the Developer in the sale of a Lot and, further, neither the ARC nor any member thereof shall be liable to the Association, any Owner or to any party for any damage, loss or prejudice suffered by or claimed on account of (a) the approval or disapproval of any plans, drawings or specifications, whether or not defective, (b) the construction or performance of any work upon the Property, (c) the execution and filing of any estoppel certificate, whether

or not the facts therein are correct, or (d) any other act, action or conduct of such committee. Such limitation of liability shall apply in all cases, provided that such person has, on the basis of such information as may be possessed by him, acted in good faith, without willful or intentional misconduct.

12.08 Assignability.

(a) The Association shall be empowered to assign its rights, or any part thereof, to any successor public body, authority, agency, district or not-for-profit corporation (hereinafter referred to as the "Successor Entity"), and upon such assignment the Successor Entity shall have those rights and be subject to those duties assigned thereby and shall be deemed to have agreed to be bound by the appropriate provisions hereof to the same extent as if the Successor Entity had been an original party to the Declaration. Any such assignment shall be accepted by the Successor Entity under a written agreement pursuant to which the Successor Entity expressly assumes the duties and obligations thereby assigned.

(b) If for any reason the Association shall cease to exist without having first assigned its rights hereunder to a Successor Entity, the covenants, restrictions, easements, charges and liens imposed hereunder shall nevertheless continue and any Owner may petition a court of competent jurisdiction to have a trustee appointed for the purpose of organizing a not-for-profit corporation and assigning the rights hereunder with the same force and effect, and subject to the same conditions, as provided in this Section with respect to an assignment and delegation to a Successor Entity.

(c) Any assignment or delegation of rights shall be approved by two-thirds (2/3) of the Members voting in person or by proxy at an Association meeting at which a quorum is present or voting in a referendum called for such purpose after proper notice is given.

(d) The Developer may, at its option, assign any or all of its rights under this Declaration.

12.09 Headings. The headings of the Articles and Sections hereof are for convenience only and shall not affect the meaning or interpretation of the contents of this Declaration.

12.10 Gender. Throughout this Declaration, the masculine gender shall be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

12.11 Effect of Violation of Declaration on Mortgage. No violation of this Declaration shall defeat or render invalid the lien of any mortgage made in good faith and for value upon

any portion of the Property; provided, however, that any mortgagee in possession or any purchaser at any foreclosure sale or any person in a similar position shall be bound and subject to this Declaration as fully as any other Owner of any portion of the Property.

12.12 Delivery of Notice and Documents

(a) Any written notice or other documents addressed to the Association, the Association Board, the ARC, or the Developer relating to or required or permitted by the Declaration may be delivered either personally or by certified or registered mail, return receipt requested. If by certified or registered mail, it shall be deemed to have been given, delivered and received upon receipt thereof by the addressee.

(b) Any written notice or other documents relating to or required or permitted by the Declaration may be delivered to an Owner or Member either personally or by mail unless other requirements are specifically made in any provision hereof. If by mail, it shall be deemed to have been given, delivered and received seventy-two (72) hours after a copy of same has been deposited in the United States mail, postage prepaid, addressed to such Owner or Member, to the address of any Lot or Living Unit owned, whether in whole or in part, by such Owner or Member, or to any other address last furnished by such Owner or Member to the Association. Each Owner or Member shall file his correct mailing address with the Association, and shall promptly notify the Association in writing of any subsequent change of address.
