FINAL PLAT OF
CORNERSTONE AT BAILEY FARMS, FIRST PLAT
SHEET NO. 1

DEDICATIONS:

The undersigned owners of the property described herein have caused the same to be subdivided in the manner shown on this plat and the property shall hereafter be known as "CORNERSTONE AT BAILEY FARMS, FIRST PLAT".

Streets: Roads and streets shown on this plat and not heretofore dedicated to public use as thoroughfares are hereby so dedicated.

Easements: An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of poles, wires, conduits, and/or structures for water, gas, sanitary sewer, storm sewer, surface drainage channel, electricity, telephone, cable television, or any other necessary public utility or services, any or all of them, upon, over, or under those areas outlined or designated upon this plat as "Utility Easements" (U.E.) or within any street or thoroughfare dedicated to public use on this plat. Grantor, on behalf of himself, his heirs, his assigns and successors in interest, hereby waives, to the fullest extent allowed by law, including, without limitation, Section 527.188, RSMo. (2006), any right to request restoration of rights previously transferred and vacation of the easement herein granted.

Grantors, on behalf of themselves, their heirs, their assigns and successors in interest, hereby waives, to the fullest extent allowed by law, including, without limitation, Section 527.188 RSMo. (2006) any right to request restoration of rights previously transferred and vacation of the easements herein granted.

In the areas designated as "Stream Buffer Easement" there is hereby granted to the City an easement for the purpose of prohibiting any development of any kind and prohibiting the erection, construction, placement or maintenance of any structures upon such land, as the term "structure" shall be defined in the City's Unified Development Ordinance in Chapter 33 of the City Code of Ordinances, and prohibiting any change in the grade and elevation of such land, and prohibiting the alteration of the natural course and flow of the water in the stream, and prohibiting the damming or stoppage of the water in the stream, and to require the owners of such land to keep and maintain such land in its natural vegetative state and to tend, maintain and mow such land as required by the City's Property Maintenance Code in Chapter 16 of the City Code of Ordinances, which easement shall constitute a servitude upon the land so encumbered and which shall run with the land in perpetuity and be binding upon the land owners, their successors and assigns and all other parties claiming under them, and shall remain in full force and effect forever. A waiver or modification to this Stream Buffer Easement, or release of this Stream Buffer Easement, may be granted by the City Engineer on behalf of the City as to any or all areas so designated on this Plat, which waiver, modification, or release shall be recorded in the land records for Jackson County.

Building Lines: Building lines or setback lines are hereby established as shown on the accompanying plat and no building or portion thereof shall be constructed between this line and the street right of way line.

RESTRICTIONS:

The use of all tracts, lots, units and properties in this subdivision shall hereafter be subject to the covenants and restrictions, which instruments are to be recorded in the Office of the Recorder of Deeds of Jackson County, Missouri, as provided above, and which shall hereafter become a part of the dedication of this plat as though set forth herein.

Drainage Note: Individual lot owner's shall not change or obstruct the drainage flow lines on the lots as shown by the master drainage plan for "CORNERSTONE AT BAILEY FARMS, FIRST PLAT", unless specific application is made and approved by the city engineer.

Tract A is to be owned and maintained by the Homes Association and used as common areas and detention. During the period in which the developer maintains effective control of the board of condominium or property owners association, or other entity approved by the Governing Body, the developer shall remain jointly and severally liable for the maintenance obligations of the condominium or property owners association.

All storm water conveyance, retention, or detention facilities to be located on common property shall be owned and maintained by the Homes Association in accordance with the standards set forth in the covenants, conditions, and restrictions. These stormwater detention facilities shall be inspected by the Homes Association on the frequency specified in the current City of Lee's Summit Design and Construction Manual, to assure that all inlet and outlet structures are fully-functional, the detention basin has full storage capacity and all landscaping, vegetation and structural improvements are being maintained in accordance with the current City of Lee's Summit Property Maintenance Code.

The construction of sidewalks and ADA-accessible ramps adjacent to tracts and unplatted areas shall be the responsibility of the Developer to construct, during the construction of the streets.

All storm water conveyance, retention or detention facilities if any to be located on common property shall be owned and maintained by the property owners association in accordance with the standards set forth in the Covenants, Conditions, and Restrictions. Refer to the Covenants, Conditions and Restrictions associated with this development for requirements.
