Retail in the City, is an Interior Design firm. All Interior Design Documents contained herein must be reviewed by the Owner and any of Owner's chosen Architects, Engineers and other consultants in connection with the execution of all required Construction Documentation and Code Conformance with respect to this project. No services rendered by Retail in the City in any way related to this project shall be deemed to constitute Retail in the City as an Architect or Engineer. All Interior Design Documents contained herein have been created solely for the use of the Owner in connection with this project and shall not be used on any other

project by the Owner or any other person or entity without the written consent of Retail in the City. All written dimensions on the Interior Design Documents herein shall take precedence over scaled dimensions. Contractors retained by the Owner shall verify and be responsible for all dimensions and conditions at the job site and Retail in the City must be advised of any variations from the dimensions and conditions indicated and/or shown by the designs, plans and drawings herein. All shop drawings shall be submitted to Retail in the City for approval prior to Contractors proceeding with fabrication.
