1. Please include the total acreage of the proposed subdivision.
2. Please remove "GIS Dept." from the county signature block.
3. Please removed the building footprint and set back labels from the plat drawing.
4. Please provide coordinates, based on the Missouri Coordinate System 1983, on the corners of the plat boundary, the control station, station coordinates, and grid factor used in accordance with the regulations of the Missouri Department of Natural Resources. The north west corner is missing.
