**RE: MANOR AT BAILEY FARMS 1ST PLAT – PL2021432
RESPONSE TO EMAIL DATED MAY 11, 2022
WATER MAIN APPROVAL**

This letter is regarding the above-referenced project and staff review comments emailed on May 11, 2022 at 3:33 pm to which we have the following responses:

1. Receipt of the MDNR construction permit (an MDNR concurrence letter will be transmitted to you by early next week or the end of this week).
Response: We will watch for it.
2. Receipt of a set of plans that remove the phrase "Not for Construction". Please ensure the date matches Apr. 21, 2022, as this is what the MDNR concurrence letter uses for a date, and they may reject if the letter does not match the letter.
Response: "Not for Construction" has been removed and the date preserved.
3. Payment of the Engineering Plan Review and Inspection Fee (to be determined)
Response: Acknowledged

Should you have further comments or questions please contact me. Thank you.

Sincerely,

SCHLAGEL & ASSOCIATES, P.A.
