**RE: PL2021487 CORNERSTONE AT BAILEY FARMS 1ST PLAT
WATER MAIN**

This letter is regarding review comments received via email dated Friday, May 13, 2022 at 12:05 p.m. for the above-referenced project to which we have the following responses:

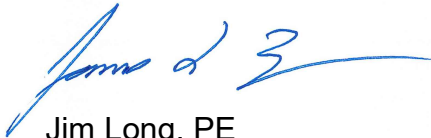

Note: It appears layers were turned-off in the plan view. We will need these turned back on, and also remove the note "Not for Construction". Rather than the normal turnaround, I can get this reviewed within 3 business days of resubmittal.

Response: Sorry for this we had an entire x-ref turned off. Problem has been resolved.

We appreciate your review. Should you have further comments, please contact me.

Sincerely,

SCHLAGEL & ASSOCIATES, P.A.
