### Excise Tax

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Development Services Department at 816-969-1200.

### Voluntary Residential Development Surcharge

In a combined effort with both the R-4 and the R-7 School Districts the City of Lee's Summit is working together to educate the development community on a new program, the "Lee's Summit Voluntary Residential Development Surcharge." This is a program which will help raise capital to build new schools for our community. Brochures are available at the front counter of both the Development Services Department. You can also find more information on the City of Lee's Summit web site at [www.cityofls.net](http://www.cityofls.net). (For more information please contact the Board of Education at 986-2400).

1. There is still no ownership on this plat, only a "member" name.
2. Coordinates are still incorrect. Please check each one. For example, 25 is correct, but 27, 28, 29, 30 and 51 are incorrect and the 2 values listed for coordinate 2 (top of table and bottom of table) are not even the same. It appears only 2-26 were corrected.
3. Since there is already a n/s Corbin Dr, please rename the e/w portion of Corbin (from Sunset Ridge to Fairbrook).
