**Application Number:** PL2022169

**Application Type:** Engineering Plan Review

**Application Name:** Lumberman's Row - Public Water

The Development Services Department hereby approves the above referenced plans dated November 11, 2022 subject to the following conditions

- 1. Contact Development Services Inspections at (816) 969-1200 to schedule a pre-construction meeting.**
2. Please submit two (2) full size paper copies with the red approval stamp to Steve Robbins, City Hall, 220 SE Green St., Lee's Summit, MO 64082. **No work described by the plans shall be allowed to commence until these plans have been submitted to the City, and a pre-construction meeting has been held between # and the contractor.**
3. Any public improvements will require a set of Record Drawings prior to Final Acceptance.
4. All MDNR close-out documents shall be provided to the State of Missouri, with proof of this submittal provided to the City, prior to issuance of a Certificate of Substantial Completion.
5. Note that any improvements installed over City utilities or within City easements will not be repaired or replaced if future utility maintenance is required, including, but not limited to, pavement, curbing and guttering, landscaping, trees, shrubs, or other items.

Please contact me if you have any questions or comments.

Sincerely,

Sue Pyles, P.E.
