## APPLICATION CHECKLIST

<b>Table 3. Minor Plat – General Requirements</b>				
<b>Article 7, Sec. 7.230</b>	<b>Ordinance Requirement</b>	<b>Met</b>	<b>Not Met</b>	<b>N/A</b>
A.	All lots platted or any remaining platted or unplatted land shall meet all zoning requirements for lot sizes. All RLL, R-1, RP-1 and RP-2 zoned lots proposed to be platted through the minor plat process or any remaining platted or unplatted land resulting therefrom shall meet the following requirements:			
A.1. Lot Size	Lots created or resulting from a minor plat shall meet or exceed the minimum lot size requirements of the individual zoning district in which located;	X		
A.2. New lot shall be 80% of average lot size	Lots created or resulting from a minor plat shall be not less than 80% of the average size of the existing lots within the neighborhood or subdivision in which located, as determined by the Director. Once the initial average lot size has been determined, it shall become and remain the standard by which all other such lots resulting from minor plats within the same neighborhood shall be compared i.e., new lots shall not be used to recalculate an average lot size each time a minor plat is requested;	X		
A.3. Calculating average lot size	For purposes of calculating the area of existing lots, all lots within the same subdivision shall be used to determine the average lot size. If no such subdivision exists then all existing lots within a 500 foot radius or other such measurement, as determined by the Director, shall be used for the average lot size determination. If the applicant for the minor plat disagrees with the Director's determination he/she may file a written appeal with the City Clerk to place such appeal before the Governing Body within 10 calendar days of the Director's determination.	X		
A.4. Appeal process	Lots created or resulting from a minor plat not meeting the 80% area requirement in (2) above may only be approved through the final plat process requiring both Commission and Governing Body review.	X		
B. Public Improvements	Public Improvements. No building permit shall be issued for a lot or tract resulting from a minor plat unless all required public improvements for the minor plat have been substantially completed, as provided in this Article.	X		
C. Dedication of easements and additional ROW	Dedication Requirements. A minor plat may not include a new street to be dedicated to the city. A minor plat may include the dedication of additional right-of-way on an existing dedicated street, subject to the approval of the City Engineer. A minor plat may include the dedication of utility easements.	X
