Subject: PL2022402 Orchard Woods Offsite Water Plan Approval Information

Doug,

The above referenced plans are approved:

- Please note that no work can be done at this time.
- Deliver 2 sets of plans (1 full size and one 11"x17") with the red approval stamp to Steve Robbins in Development Services. The stamped plan set ("Orchard Woods Offsite Water Approved 02 15 23") is available in the PL2022402 "Documents and Images" section.
- Contact the City's Field Inspection staff to schedule an Inspection Coordination Meeting.
- Plan approval will expire 1 year from the approval date on the plan set.

The following items are required prior to permit issuance:

- Receipt of the Engineering Plan Review and Inspection Fee \$918.15.
- Receipt of the MDNR construction permit.

Please let me know if you have any questions.

Thanks - Sue
