**Re: Application for Construction Permit – Sewer Extension  
City of Lee's Summit (690 NW Blue Parkway, Chick-fil-A Lee's Summit - Developer)**

To Whom It May Concern:

The City of Lee's Summit has received a development proposal for Chick-fil-A Lee's Summit at 690 NW Blue Parkway. This plan requires relocation of a public sanitary sewer main. The enclosed Application for Construction Permit requests this relocation.

The following information is provided in support of this application:

1. Justification: The relocation is required to accommodate the proposed building location.
2. Certification of Compliance: The proposed system has been designed in accordance with the City of Lee's Summit's current design criteria. The design engineer and contractor will comply with all applicable laws, regulations, ordinances, and codes bearing on the sanitary sewer relocation.
3. Continuing Authority: The City of Lee's Summit – Water Utilities Department shall serve as the continuing authority for the operation, maintenance, and modernization of the facility for which this application is made.

If you have any questions, please contact me at (816) 969-1800 or by e-mail at [david.lohe@cityofls.net](mailto:david.lohe@cityofls.net). If you have technical questions relating to the engineering plans, please contact Mr. Gary Rouse, P.E., of GBR Design, Inc. at 330-836-0228. Thank you for your assistance in processing this application.

Sincerely,

A handwritten signature in cursive script that reads "David Lohe".

David Lohe, P.E.
