The Surety agrees that such extensions may be requested by Principal and granted by the City. Surety hereby waives notice of any extension granted pursuant to the terms of this Bond.

5. **City Completion and Cost Recovery.** The City may contract for the repair of any defects that are identified by the City and not timely repaired by Principal, with any such work being awarded in accordance with all applicable procurement and other laws of the City. Principal and Surety are jointly and severally liable for any amount owed under such contract. City employees and agents are authorized by this Bond to enter onto said property and perform such work as allowed by this Bond. This provision shall not be construed as creating an obligation on the part of the City or its representatives or contractors.

6. **Enforcement.** The City shall have the right to bring suit to enforce the provisions of this bond in the event of the failure of the Principal to complete the improvements and work described above.

7. **Compliance with Other Laws.** The issuance and receipt of this Bond does not remove the requirements for final acceptance as set forth in Section 3.475 of the UDO nor does it remove the permit holder's responsibilities of erosion and sediment control in Section 2150 and seeding or sodding in Section 2400 of the Design and Construction Manual ("DCM"). The acceptance of a Bond for revegetation does not remove the requirements for a maintenance bond in Section 3.475 of the UDO.

8. **Maximum Surety Liability.** The total amount of Surety's liability under this Bond, to the Obligatee, shall not exceed the penalty hereof. The amount of this Bond is derived from the approved Engineering Plan Review and Inspection Fee, plus the contingency required herein.
