Location: 2150 NW LOWENSTEIN DR, LEES SUMMIT, MO 64081

Excise Tax

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Permitting and Plan Review Division of the Codes Administration Department at 816-969-1200.

Revisions Required: One or more departments have unresolved issues. See comments below to determine the corrections needed. Submit seven (7) copies of revised drawings, folded individually (or in sets) to 8-1/2" x 11" to Planning & Development. Revised plans will be reviewed within 5 business days of resubmittal.

Required Corrections:

Planning Review	Jennifer Thompson Planner	(816) 969-1606 Corrections
------------------------	----------------------------------	-----------------------------------

1. Provide a copy of the FCC Antenna Structure Registration and any other relevant documents indicating the tower is in compliance with all federal requirements. Also required, a statement declaring the existing tower is still in compliance and will remain so after any proposed alterations or additions when the structure is altered or antenna(s) added.

2. Please submit a copy of an inspection report, for this tower, current within the last 3 years.

3. Provide proof of general liability insurance for claims from injury or death and property damage in an amount approved by the City, but not less than \$2,000,000 per occurrence for personal injury and \$2,000,000 per occurrence for property damage with the City listed as an additional insured.

4. The property owner affidavit (part of the Final Development Plan application) is missing. This form is required as is the property owner signature.
