

Project: Woodland Oaks 1<sup>st</sup> Plat – Woodland Oaks Private Grinder Pump Installation and Connection Manual  
Application Number: PL2021074  
Application Type: Engineering Plan Review  
Comments Dated: November 17, 2023

Please see responses to City Comments in bold below.

**Engineering Review**

1. Please see attached pdf sheet markups. City markups are in blue. Please revise in accordance with the blue notation to avoid any future confusion on who is responsible for the various segments of line. **The Exhibit has been revised in accordance with the City markups.**
2. Note 1 and 3 on the “Stainless Steel Lateral Kit” Sheet NA0330P02 should be changed to read “by developer” rather than “by others”. **Revised.**
3. Page 19 of the manual is not “loadable”. It generates an error message and exits the program. Please review the settings of the pdf document and ensure there are no issues on your end. **The document has been reformatted and does not appear to have any issues on our end opening or with any particular pages.**

Please forward all comments or concerns to Matthew Schlicht.
