Dear Property Owner:

On behalf of our client, Metropolitan Community College, we are having a neighborhood meeting on Thursday, April 4th at 6:30 pm at the following address:

MCC – Longview Campus – Education Center, Room 113,  
500 SW Longview Road, Lee's Summit, MO 64081.

DLR Group will host the meeting and would like to invite you to a neighborhood meeting where we can answer any questions you may have about the proposed Addition and Renovation to the High Technology building at the MCC Longview Campus.

This meeting is a required part of the Preliminary Development Process and is a requirement by the City of Lee's Summit in an effort to obtain approval to move forward with the project.

We look forward to seeing you at the neighborhood meeting. If you are unable to attend and would like to receive information about the project or provide feedback, please contact Ishita Banerjii (913) 314 -8855.

Sincerely,
