A Neighborhood Community Meeting was held at the Longview Campus of Metropolitan Community College at the following address at 6:30 PM on 04/04/2024 -

500 SW Longview Rd, Lee's Summit, MO 64081
Education Center - Room 113

MCC representative, DLR Group representative, McCown Gordon representative were in attendance. Chuck and Deb Masoner were in attendance from the community representing the Longview Chapel.

Dr. Katherine Swanson (MCC Campus President) opened the presentation with an introduction to the project and presented data citing the need for the Automotive Curriculum within the Community. Ishita Banerjii (DLR Group) presented the project design and answered any questions related to the project. Both attendees were satisfied and requested to be invited to the ground breaking and ribbon cutting ceremonies for the project.
