RESIDENCES AT BLACKWELL – PUBLIC SANITARY**

Dear Gene:

This letter is responding to staff comments dated December 18, 2023 regarding the above-referenced project:

Engineering Review – Corrections

1. Please include the complete SAN-7 standard detail rather than the profile and section view. SAN-7 includes the profile, section and plan view. Please revise plans to include the complete SAN-7 standard detail (including the plan view which was missing from the detail).

Response: Pipe Encasement at Water Crossing Detail replaced with new Lee's Summit SAN-7 detail on sheet 8.

Should you have any questions, please contact me. Thank you.

Sincerely,

SCHLAGEL & ASSOCIATES, P.A.
