Mr. Mayfield,

Thank you for reaching out. As you will be unable to attend the public hearing, I wanted to let you know of other ways to make official public comments for the project:

- At the top of the Development Project List located [here](#), there is an icon title "Submit a public comment". That link takes the user to a form to submit their comment that is then included with the staff report moving forward. You can also access the comment link [here](#).
- Comments may be submitted directly to the Development Services Department by:
  - Emailing [webportalplanning@cityofls.net](mailto:webportalplanning@cityofls.net)
  - Calling 816-969-1200 and asking to speaking with the Project Manager
  - Stopping by City Hall at the Development Services Counter
  - Mailing written comments addressed to the attention of Development Services at City Hall
- Comments may submitted directly to the City Clerk by emailing [clerk@cityofls.net](mailto:clerk@cityofls.net).

I hope this information is helpful. Please let me know if you have any additional questions at this time.

*Yours Truly,*

**Hillary Shields** | City Councilmember

Honorable Councilwoman Shields:

Good afternoon. We hope that this email finds you and your family well.

We are reaching out to you today to share our views with you regarding this item set to be on the City Council Agenda on May 21, 2024. This is application # PL2022-357. A rezoning from RP-2 to CP-2.

We ask that if this rezoning matter comes before you next week that you would vote no on this matter. My wife and I moved to Lee's Summit in late 2022 to our current location in your district because of the quality, quiet and stability of the neighborhood. We believe that this rezoning will disturb the quality of life that we have come to enjoy and appreciate in our neighborhood.

We are also concerned that this matter has just been recently brought to our attention. We were completely unaware of this possible rezoning. I will be out of town on business next week, otherwise I would be attending the council meeting to express my views on this matter.

Thank you for your consideration and for your service to our community.

Sincerely,

John & Debbie Mayfield
