1. Please zoom in on the drawn map in order to focus on the lot being rezoned (can still show the other lot's house/driveway in zoom for context). Also remove the dashed existing lot lines to focus on the new lot boundary and avoid confusion.

2. Add Rural Density Residential before RDR acronym to be consistent in this text "Existing Zoning Agricultural (AG) Proposed Zoning (RDR)"

3. Please update the font/colors of the document to be less distracting.
