Re: SAINT LUKE'S PARKING LOT EXPANSION  
PL2011107 Final Development Plan Approval

Dear : ACI BOLAND

The Public Works Department hereby approves the final development plans dated September 7, 2011, for the above referenced project. These plans were received by our department on September 12, 2011. The following conditions must be satisfied prior to the start of construction.

1. **Contact Public Works Inspections (816) 969-1832 at least 48 hours prior to the onset of construction.**
2. Submit a Land Disturbance Permit application and the required attachments to the Erosion Control Specialist prior to any land disturbance activities that are to occur prior to obtaining a building permit. Approval of these plans does not constitute approval of the erosion control plan. **Contact Barton Reese at (816) 969-1832 for new land disturbance permitting details.**
3. Contact the Right-of-Way Inspector at (816) 969-1838 prior to any land disturbance activities within the rights-of-way. These activities may require a permit.
4. The engineer's cost estimate has been accepted for this project, and an inspection and plan review fee of **\$776.58** has been received by the Public Works Department.
5. Note that any improvements installed over City utilities or within City easements will not be repaired or replaced if future utility maintenance is required, including, but not limited to, pavement, curbing and guttering, landscaping, trees, shrubs, or other items.

If there are any questions, please feel free to contact me at 816-969-1812.

Sincerely,

Gene A. Williams, P.E., Senior Staff Engineer
