Ms Rader and Mayor Pro Tem Lopez,
Please accept the attached file containing additional single family homeowners in our neighborhood who have expressed their opinion opposing the rezoning of single family lots to multi-family townhomes in Chapel Ridge. Every homeowner we have contacted who lives within “striking distance” of this area opposes the rezoning proposal.

I appreciate the updates from Daniel Fernandez. Please let me know if you have any questions or comments.

Best regards,
Paul Menne
