Storm Drainage Letter
December 17, 2024
Express Stop – 3394 NW Village Park Dr
Lee's Summit, MO

The subject project at 3394 NW Village Park Dr is part of a Regional Detention Plan for the Village at View High Development. The proposed development on Lot 2 B is in conformance with the Approved Regional Detention Plan and basin located on Tract A. No further storm water improvements pertaining to attenuation are required for the proposed development.
